

# A SEPTEMBER UPDATE FOR RESIDENTS IN COLLEGE BANK

We have signed an exclusivity agreement with Legal and General Affordable Homes (LGAH) until December 2023. This means that between now and December 2023 we'll be focusing on this one plan which we hope will enable us to confirm the future of the homes at College Bank.

We now have one clear plan which if approved would refurbish all seven blocks over a five-year period and avoid any demolition.

We continue to meet with partners to try to bridge the funding gap.

If the plan is approved, LGAH would be the owner and landlord of the blocks. Your tenancy and leasehold agreements would be with LGAH, with conditions unchanged. RBH would continue to manage the blocks.

We would propose changes to the RBH Rules to enable College Bank tenants to remain members of RBH.

If temporary moves are required during refurbishment, we would look to use homes within College Bank.

We hope to make a final decision this year. We will hold a further event once we have more information to share.

**We want residents to be involved as we develop these plans.**

To volunteer, email us on [towncentre.regen@rbh.org.uk](mailto:towncentre.regen@rbh.org.uk), call **0800 027 7769**, or speak to us at a consultation event.
